

## 5.8 Character Area 7 - Municipal Quarter

5.8.1 This area includes the District Council offices and leisure centre and is a centre for local administration and government. The Council offices are set within a large footprint 4 storey pavilion building set amongst a large area of surface car parking. The building has an irregular building line and a partial set back which encloses a small, yet formal entrance space. There is a significant level of tree and shrub planting to the building boundaries and car parking.
