

Daventry International Rail Freight Terminal Expansion

Design Guide

Supplementary Planning Document

Adopted December 2005

Daventry International Rail Freight Terminal Expansion

Design Guide

Supplementary Planning Document

Adopted December 2005

Prepared by:

**Nathaniel Lichfield
and Partners**

Planning Design Economics

Contents

- 1.0 Introduction 1**
 - Purpose of the Design Guide 1
 - Consultation 1
 - Structure of the Design Guide 2
 - Using the Design Guide 2

- 2.0 An Introduction to DIRFT 5**
 - Site Location 5
 - Dirft South 5
 - Dirft Central 5
 - Dirft East 5
 - Dirft Expansion 6

- 3.0 Main Development Constraints 9**
 - Land Use 9
 - Floorspace 9
 - Planning Conditions 9

- 4.0 General Design Considerations 13**
 - Landscape Character 13
 - Sustainable Transport and Access 14

- 5.0 Site Design 19**
 - General Objective 19
 - Development Density 19
 - Parking 19
 - Sustainable Building Design 19
 - Materials 20
 - Plot Boundary Treatments 21
 - External Lighting 21
 - Drainage 21
 - Services 21
 - Signage 22
 - Access for Emergency Vehicles 23
 - Landscaping 23
 - Hard Landscape Materials 30
 - Surfacing 30
 - Enclosures 32
 - Street Furniture 32

- 6.0 Construction Management 35**
 - Introduction 35
 - Planning Conditions 35
 - Enclosure of Construction Sites 35
 - Land not Immediately Required 35
 - Construction Traffic 35

- 7.0 Further Information 37**

Annexes

Annex 1	Travel Plan Framework.....	39
Annex 2	Structural / Landscape Planting Species List.....	45
Annex 3	Estate Road Landscape Planting Species List.....	49
Annex 4	Development Plot Landscaping Planting Species List.....	53
Annex 5	DIRFT Lighting Guidelines.....	57
Annex 6	The DIRFT Vehicle Routing Information.....	63
Annex 7	DIRFT Masterplan.....	67
