INTRODUCTION	1
Scope	1
Aims of the Conservation Plan	1
Approach	1
Methods	2
UNDERSTANDING THE DEVELOPMENT OF THE SITE	3
Early History	3
Construction of the Royal Ordnance Depot	5
After Waterloo – Diversification of Use	31
Crimea to Boer War – Mechanisation at Weedon	39
Boer War to World Wars – Twentieth-Century Expansion	47
The Post-War Years	57
Towards a New Role	61
THE CULTURAL SIGNIFICANCE OF THE SITE	63
Assessing Significance	63
Statement of Cultural Significance	65
Level of Significance of Component Parts and Elements, Associations, Vistas and Views	66
Level A (Exceptional significance)	66
Level B (Considerable significance)	70
Level C (Some significance)	72
Level D (Little significance)	73
Level N (Neutral significance)	75
INT. (Intrusive)	75
CONSERVATION ISSUES, VULNERABILITIES AND POLICIES	77
Purpose	77
Conservation Issues, Vulnerabilities and Policies: General	77
Statutory and Non-Statutory Protection	77
The Need for a Management Plan	81
Quality and Continuity of Advice	81
Quality of Workmanship and Supervision of Works	81
Relationship between Level of Significance and Planning of Works	81
Maintenance, Repair, Restoration, Reconstruction and Re-creation	82
Adaptation of Significant Fabric	85
Demolition/Removal of Fabric (Component Parts and Elements)	86
Recording Prior to Alteration or Demolition	87
New Buildings and Design Quality	87
Use	88
Split Ownership and Management	89
Gaps in Understanding	90
Conservation Issues, Vulnerabilities and Policies: Component Parts and Elements	90

Storehouse Enclosure	91
Storehouse Enclosure Walls and Gateways	91
Bastions B92-5	93
East Portcullis Building B90 and West Portcullis Building B66	94
Ordnance Canal and Central Basin	96
Storehouses B1-8	97
Fire Engine House B10	104
B.W.D. Offices B11	105
Workshops and Store B14	106
Wagon Shed B15	109
Latrines B44	112
Offices and Washroom B45	113
Storeholder's Quarters No. 2 B65	115
Protected Posts for Firewatchers B67 and B88	115
New Workshop B75	115
Engine House's Pump House, Boiler House and New Boiler House B77	116
Chimney Shaft	118
Browning Shop B78	118
Stable and Coach House B79, north part	118
Fitters' Shop B79, south part	120
Offices B86	120
Nissen Hut B87	122
Security Building B89	122
Spaces, Vistas and Views	123
Land between Storehouse Enclosure and Magazine Enclosure	126
Clothing Store B17	126
Spaces and Views	129
Land North of Storehouse Enclosure	130
Remains of Storage Shed B16	130
Spaces and Views	131
Land South of Storehouse Enclosure	131
Land East of Storehouse Enclosure	132
Hard and Soft Landscaping	133
Street Furniture	134
Traffic Management	136
SOURCES	139
Local and Regional Plans and Other Sources	139
Legislation and Government Guidance	139
English Heritage Publications	139
CABE Publications	139
Published and Unpublished Works	139
CONSULTATION	143
APPENDIX I	145
Listed Buildings in Conservation Plan Area – Current Entries	

APPENDIX II

153

Summary of Condition of Storehouse Enclosure's Buildings.
By Nick Bridges of Ettwein Bridges Architects 2004

APPENDIX III (bound separately)

CP/A. Maps and Plans – Historic and Current. Former Royal Ordnance Depot,
Weedon Bec, Northamptonshire. Compiled by Ettwein Bridges Architects 2003
