

## DAVENTRY DISTRICT COUNCIL ASBESTOS REGISTER

### NOTES

This register is a 'live' document and is updated on completion of works that effect asbestos containing materials within DDC properties.

Any properties added to DDC's property portfolio shall be added to the register and any properties disposed of shall be removed from the register.

This register is for initial reference only. If any work is to be carried out on any property containing or suspected of containing asbestos, the asbestos management survey report for the property shall be consulted prior to any work being commenced. A Refurbishment & Demolition survey report may be required prior to any works commencing.

The asbestos register, asbestos reports and other asbestos data shall only be controlled and amended by appropriately qualified and competent persons.

| Property Reference | Address                     | Contains ACM's Yes/No | Building Element           |               |                           |         |       |                   |              |                      |                |        | Inspection Date |  |            |
