Dear Tom

Thank you for consulting us on the above Settlements and Countryside Local Plan Part 2. We would refer you to our previous response dated 15/01/2018 and as such we have no additional comments to make.

Kind regards

Malcolm Ball

The banner features the Northamptonshire County Council logo on the left, which consists of a stylized flower icon. To the right of the logo, the text reads "Northamptonshire County Council" and "Flood Toolkit". A large, light blue speech bubble contains the text "Visit our online Flood Toolkit at" followed by the URL "www.floodtoolkit.com". Below the banner is a navigation menu with several buttons: "Home", "Am I at risk?", "It's an emergency", "Who is responsible?", "How to guides", and "Plan".

Subject: Daventry District Settlements and Countryside Local Plan Part 2 – Emerging Draft Consultation
Importance: Normal

Dear Tom

Thank you for consulting us on the Emerging Daventry Local Plan. Having reviewed the documents we wish to commend the authors for their recognition of flood risk management policies and practices and the role flood risk management undertakes in the development of sustainable places by reducing flood risk. With adaption to climate change and the mitigation of flood risk within Objective 1 of the plan there is then a continuous stream of references to SuDS, the SFRA and the requirement for the assessment of flood risk. The inclusion of section 9.8, Local Flood Risk, is particularly welcome. We have no further comment to make.
