On behalf of our client Prologis Ltd we wish to support Policy EC7 as drafted.

This policy has been the subject of engagement with the commercial development sector and has the potential to achieve a form of development that is responsive to the needs of the commercial sector and employers whilst also respecting the environmental context of the site. The policy also includes the flexibility necessary for the sector to respond appropriately to local employers needs and to accommodate them as necessary to support the local employment stability and future opportunities.

**5. Please set out what modification(s) you consider necessary to make the Local Plan legally compliant or sound, having regard to the matter you have identified at part 4(1) or 4(3) above where this relates to soundness. You will need to say why this modification will make the Local Plan legally compliant or sound.**

No modifications are necessary to Policy EC7.

**7. If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary.**

As the Council have appropriately engaged with the commercial sector as regards the emerging policy should the policy propose to be altered, on behalf of our client we would wish to be part of that discussion to ensure the Inspector is aware of the employment sector's requirements.

**Please note** the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the oral part of the examination.

**8. Please tick the box if you wish to be notified of further progress of the Local Plan.**
