<p>1.1 DDC to investigate new and emerging sources of funding for community schemes and promote these regularly</p>	<p>DDC Community Development Co-ordinator</p>	<p>Ongoing</p>	<p>Officer time</p>	<p>Economic downturn means more groups competing for smaller available sums.</p>	<p>G</p>	<p>Tim Cantwell Community Development Co-ordinator - ongoing sourcing and promotion of grants, advising DDF of any new and appropriate community funding streams. DDC will establish an on-line community lottery for Daventry District in 2018. DDF will be able to sign up to the scheme and raise funds because when their members and supporters buy a ticket, they can allocate a portion of the ticket price to DDF. New in year revenue funding of £30k was approved and has been awarded to community groups to continue providing services.</p> <p>The Council has approved to increase revenue funding for the next three years from £80k to £150k per year. Community lottery is now live, DDF has signed up and hope to receive a regular income. The Good Neighbour Schemes now have a direct link in with DACT Travel Clubs and Happy @ Home scheme. DDC has also been able to allocate £15k from second homes funding to enable Good Neighbour Schemes to set up in their first year. Qtr 1 update Council approved an increase in the capital grant budget from £60k to £310k for this financial year. Organisations such as DACT will be able to apply to this to improve their transport provision. DDC has provided £30k interim funding to keep the no. 60 bus service running between Northampton and Welford. This was done following the withdrawal of funding from cash-strapped NCC and will keep a slightly reduced service running until March 2019. Thereafter, it is hoped that the various parish councils along the route will provide funding to keep it going.</p>
<p>1.2 Increased DDC services available online for residents to self-serve and the provision of services offline continue to be made available</p>	<p>DDC Customer Services and IT</p>	<p>Ongoing</p>	<p>Officer time</p>	<p>Broadband capacity across all rural areas</p>	<p>G</p>	<p>DDC has developed a road map to integrate services into the website and through the one-stop-shop to enable residents to self-serve and have improved access to council services. Revenues and Benefits have also added online account information, and interactive mapping has been improved and made easier to use, together with Planning information continuing to be available. General development is ongoing - no major projects but keep working on bringing processes online or improving the existing processes as of June 2018.</p>

<p>1.3 Rural Community Transport for social activities to be promoted, encouraged and developed further</p>	<p>DDC Community Projects Officer/Partnerships & Policy Officer</p>	<p>Ongoing</p>	<p>Officer time</p>	<p>Volunteer capacity</p>	<p>G</p>	<p>Feedback from the Ageing Well Consultation carried out determines a need for Community Transport for social activities, DDC to investigate DACT and other local rural community car schemes. DDC is working in partnership with Northants Acre to establish and set up Good Neighbour Schemes throughout the district, within this remit existing community transport and car sharing schemes are being promoted, i.e. DACT. With the help of local volunteers new schemes are being encouraged and developed further. The Good Neighbour Schemes now have a direct link in with DACT Travel Clubs and Happy @ Home scheme.</p>
<p>1.4 Awareness and promotion of welfare advice/groups and activities</p>	<p>DDC Community Projects Officer/Partnerships & Policy Officer</p>	<p>Ongoing</p>	<p>Officer time</p>	<p>Access to online services, broadband rural issues</p>	<p>G</p>	<p>Feedback from the Ageing Well Consultation carried out determines a need for further awareness of existing local activities and service provision. DDC is working in partnership with Northants Acre to establish and set up Good Neighbour Schemes throughout the district, Moulton is the first scheme to be set up with funding from DDC, the Community Connector is based at the new community centre, and has set up a database for over 60's activities and support groups and set up a successful well attended weekly board game and cards event at the centre. Crick has become the second village to set up the scheme, currently in progress of setting up a committee, and recruiting volunteers. Update for quarter 1 currently 3 schemes up and running, 2 for autumn launching. The Good Neighbour Schemes now have a direct link in with DACT Travel Clubs and Happy @ Home scheme.</p>

Strategic aim 2: Ensuring that people can continue to learn and live healthy, active and interesting lifestyles
