CARERS SITTING SERVICE – VOLUNTEERS NEEDED

Do you have a few hours to spare? If so you might be interested in becoming a volunteer with the Carers Sitting Service.

What's involved? The Carers Sitting Service gives a break to those who have a caring responsibility for a husband, wife, partner, parent, relative or friend. Sitting sessions take the form of befriending and involve meeting the same person in their own home.

As a befriender you would be visiting someone local to you.

About you

- You must be over the age of 18 and be available for a few hours a week based during the period 9am and 5pm Monday to Friday

We will provide induction and on-going support.

Volunteering is flexible and enables you to offer your time on a day that suits you and the hours that suit you. In this way it is possible to fit in some volunteering around your other commitments and interests.

- Travel expenses will be paid for any visits you make.

To find out more call Adam Wilson on 01933 677837 or email him at adamw@northamptonshire-carers.org

CARERS ASSESSMENTS

Carers have a legal right to an assessment through the Care Act 2014. Northamptonshire Carers provide these.

A Carers Assessment is an opportunity for you to express your feelings and needs as a Carer. The purpose is to find out what impact your caring responsibilities have on you and what support you might need to continue your caring role.

What is a Carers Assessment?

It is your opportunity to discuss your individual caring role and will help you identify your eligible needs as well as how these impact on your wellbeing and what you want to achieve in your day to day life. It will help to identify your strengths and capabilities and the support available to you in the community.

The Carer Assessor will help you to develop a plan to support you to carry on looking after the person you care for and to achieve the outcomes you need to maintain your health and wellbeing. The assessor will offer advice, information, and practical support and tell you about other organisations who may be able to offer support.

Some Carers may need specific help which cannot be met by this support alone. Where the assessment indicates this is the case you may be eligible for further support from your local authority as set out in the Care and Support Regulations 2014.

If you are eligible the assessor will draw up a support plan. The support plan will be subject to an annual review for outcome monitoring.

Make sure you have your assessment. Call 01933 677907

SUPPORTING CARERS OF WORKING AGE

Following on from the successful *Supporting Working Carers* project Northamptonshire Carers continues to offer support and information to Carers who are also in paid employment. Thanks to the *People's Postcode Trust* we continue to work with county employers and businesses to raise their awareness and support for the Carers they employ which is likely to be 1 in 9 of their staff. Launched at the Employers' Conference in Carers Week and followed up by 'Lunch and Learns' around the County.

Looking to Get Back Into Work

Our *Building Better Opportunities (BBO)* service helps get currently unemployed Carers or former Carers back into training or moving closer to work.

You can access a variety of opportunities to help.

For further information about these projects call Jacqui or Nicola on 01933 677837 or email swc@northamptonshire-carers.org

OUR WORK WITH GP PRACTICES

After 9 years of awareness raising of Carers issues, 70 per cent of all our referrals now come from GP practices across the county. The big plus, of course, is that we have spoken to many Carers who may not have heard of us otherwise.

Last year we, in partnership with the Clinical Commissioning Groups, who are now the organising body for GPs, designed the quality standards for GPs which includes what they consider to be the needs of Carers. Practices are asked to have a Carers Register, take the needs of Carers into account where possible in making appointments, to include Carers for flu jabs and to refer on to us with Carers permission.

When you visit your GP you could check – Do they have a Carers Noticeboard? Do they have Carers leaflets? Did they invite you for a flu jab? If not let us know and we will get in touch.

PARKS SURGERY – CARERS DROP IN SESSIONS

As part of our ongoing support to GP Surgeries and the support they offer for Carers, we attend the following 2 village Coffee Mornings to provide information, advice and support.

- **ROADE COFFEE MORNING** – 1st Monday of the month between 10 a.m. and 12 noon. St Mary's Church Rooms in Roade NN7 2NT
- **BLISWORTH COFFEE MORNING** – 3rd Tuesday of the month between 10 a.m. and 12 noon. Blisworth Baptist Church Rooms, Blisworth NN7 3BU

Members of the Patient Participation Group for the surgeries also attend to give a link between the Carers and the surgeries.

NORTHAMPTON & KETTERING GENERAL HOSPITALS

There is a Carer support service based in both Northampton and Kettering General Hospitals. The Carer support workers (CSW's) have developed close links with the hospital staff and are therefore ideally placed to support informal Carers, whilst the cared for person is in hospital and throughout the discharge process.

The type of support offered can range from a listening ear, informal advocacy, providing information, reassurance and advice. Following the patients discharge, the CSW's can offer opportunities for an assessment of the Carers needs and access to on-going Carer support within the community.
