Dear Sir or Madam,

I read of your review regarding suitable Polling Stations within the Beventny district.

At the moment, Welford uses the Village Hall which although has disability access ~ the ramp is quite steep and I am given to understand, is therefore prohibitive to some potential voters

As a member of Welford Congregational Chapel - I would like to suggest the School Room which is adjacent to Chapel, as a suitable alternative venue.

There is a small step into the building ~ as in any home, but a ramp could be provided should it be necessary.

We also have a kitchen and toilet facilities. The full address is: Welford Congregational Chapel, West End, Welford, Northampton, NN6 6HJ.

Yours sincerely
