Dear Mr Wildgoose

### **Settlements and Countryside Local Plan (Part 2) for Daventry District 2011-2029 Schedule of Proposed Main Modifications and Additional Modifications**

Further to the hearing sessions conducted in June 2019 and the post hearings note (EXAM 28) received on the 17<sup>th</sup> July 2019 please see attached a Schedule of Proposed Main Modifications and Additional Modifications. I can confirm that the Council accept all of your recommendations and have sought to address these through the schedule of Proposed Main Modifications which now replaces the schedule of Potential Main Modifications – EXAM 27A.

If the modifications set out within this schedule do not adequately address concerns you have raised at the examination hearings and in your post hearing note (EXAM 28), the Council invites you to further clarify how these modifications can be altered.

We look forward to hearing from you.

Yours sincerely
