

At the beginning of 2019 our opening bank balance was £2,537-81p

The grants from Tesco and Waitrose which were in the process of being paid to us at the end of 2018, along with other small grants from Daventry District Council through 2019 were completed, all being earmarked for various events and items throughout, 2019/20. Our thanks go out to all the people who put their tokens in our box in either Tesco or Waitrose and also thanks to Emma and her team for their work on the grants received from DDC. I am pleased to be able to say that Tesco will be giving us another round in the near future so please, if you shop in their Daventry supermarket around March time, look for our name. We have also received £163-20 from the Daventry District Lotto so thank you once again to the members who named us as their nominated organization.

Outgoing items include the hire of the Saxon Suite plus refreshments, Christmas entertainment and refreshments etc, our Poppy Wreath, and we now have our own microphone and speakers etc. DDF also arranged a Veterans Party for VE day at the New Street Day Centre.

Our balance at this moment in time stands at £2,793- 43p but we are expecting the invoice for the hire of the Saxon Suite and we still have at least one Outreach event to fulfill and that will be at Brixworth

.....

These are some items that I have mentioned but If any of you would like to see the full accounts they will be included on the Daventry District Forum web page on the Daventry District website.

Lastly the most important item is for me is to say thank you to all of you who support us by buying raffle tickets and donating towards your teas and coffees.
