Mr Cliff Cooper (by email)

21 December 2021

Dear Mr Cooper

**Re: Crick Village Neighbourhood Development Plan Review**

Thank you for your email dated 18 November 2021 which contained the following attachments:

1. Review Crick Village NDP "clean" version
2. Review Crick Village NDP tracked changes version
3. Screening tables 1A, 1B, 1C and 1D
4. Table 2 setting out proposed modifications to policies

This was followed by re-submission of the two versions of the neighbourhood development plan and tables 1B, 1C and 2 on 2 December and 15 December 2021.

Officers have reviewed the documents and the view of the Parish Council, as qualifying body, on the nature of the changes.

The Council is able to confirm that the changes proposed to the made Crick Village Neighbourhood Development Plan are regarded as minor in nature and would not materially affect the policies in the plan.

I attach a copy of the Crick Village NDP Review Statement of Modifications for your records. This will be published alongside the clean version of the Review NDP and the Parish Council's submission (email and final versions of the tables) on West Northamptonshire Council's website.

Yours sincerely
