Dear Mr O'Neil

Re: Guilsborough Neighbourhood Development Plan Review

Thank you for your email dated 21st March 2022, which contained the following attachments:

1. Review Guilsborough NDP tracked changes version
2. Screening tables 1A, 1B, 1C and 1D
3. Table 2 setting out proposed modifications to policies
4. Guilsborough Consultation statement November – December 2021

This was followed by the submission of the Review Guilsborough NDP "clean" version received via email on 4th April 2022.

Officers have reviewed the documents and the view of the parish council, as qualifying body, on the nature of the changes.

The Council is able to confirm that the changes proposed to the made Guilsborough Neighbourhood Development Plan are regarded as minor in nature and would not materially affect the policies in the plan.

I attach a copy of the Guilsborough NDP Review Statement of Modifications for your records. This will be published alongside the clean version of the Review NDP and the Parish Council's submission (email and final versions of the table) on West Northamptonshire Council's website.

Yours sincerely

Richard Wood

Interim Head of Planning and Climate Change Policy
