Dear Margaret,

**Planning consultation: Harlestone Neighbourhood Plan - Regulation 16 Submission Version
West Northamptonshire Council**

Thank you for your consultation on the above dated 21st September 2022 which was received by Natural England on 21st September 2022.

Natural England is a non-departmental public body. Our statutory purpose is to ensure that the natural environment is conserved, enhanced, and managed for the benefit of present and future generations, thereby contributing to sustainable development.

Having previously submitted comments on the Harlestone Neighbourhood Plan, Natural England are satisfied with the proposal and have no further comments regarding the matter.

Should the proposal change, please consult us again and we will be more than happy to assist.

Kind regards
Nima
