

## FW: Harlestone Neighbourhood Plan - Regulation 16 Submission Version

Mon 26/09/2022 12:47

Good Afternoon Mags

Thank you for sending us the Harlestone Neighbourhood Plan. The Minerals and Waste Planning Service for Northamptonshire has the following comment to make.

Paras 5.19 to 5.21 cover minerals and waste matters which neighbourhood plans should not do and therefore these paragraphs should be deleted.

Kind Regards

Laura
